Green Initiatives and Environmental Sustainability Activities

Chaiduar College (Autonomous), Gohpur, has consistently demonstrated its commitment towards environmental conservation and sustainable development through a series of green initiatives conducted during the academic session 2025–26. Under the guidance of the IQAC, NSS Unit, NCC, Student Union, and various academic departments, the college organized several awareness programmes, plantation drives, cleanliness campaigns, and conservation activities to promote environmental responsibility among students and the local community. The institution has long maintained eco-friendly practices such as tree plantation, waste management, use of LED lighting, solar energy utilization, and conservation of biodiversity within the campus.

Major Green Initiatives Conducted During 2025–26

1. **Workshop on Mushroom Cultivation (13 August 2025)**
   Organized by the Bio-Tech Hub, the workshop promoted sustainable agriculture and livelihood generation through scientific mushroom cultivation practices. The programme encouraged eco-friendly agricultural techniques among students and local

participants.

2. **Plantation Drive (24 September 2025)**
   Conducted by the Department of Mass Media, the plantation programme aimed at increasing the green cover of the campus and spreading awareness regarding the importance of afforestation and climate action.

3. **Swachh Bharat Campaign (September 2025)**
   The NCC unit organized cleanliness activities within and around the campus to promote hygiene, sanitation, and environmental consciousness among students.

4. **Awareness Programme on Vulture Conservation (4 November 2025)**
   Organized by the Department of Zoology, the programme highlighted the ecological significance of vultures and the urgent need for their conservation. Students were sensitized to biodiversity protection and wildlife conservation.

5. **Bird Watching Day Observation (November 2025)**
   The Department of Zoology conducted bird observation activities to create awareness about avian diversity and the importance of preserving natural habitats.

6. **Plantation Drive (18 November 2025)**
   Another plantation programme was undertaken as part of the college's continuous effort to maintain a green and sustainable campus environment.

7. **Swachh Bharat Programme (30 December 2025)**
   Conducted by ITEP, the programme focused on campus cleanliness and waste management practices, reinforcing the message of environmental stewardship.

8. **Swachh Bharat at Adopted Village (6 March 2026)**
   Organized by the NSS Unit, this outreach activity extended environmental awareness and sanitation practices to the adopted village, fostering community participation in cleanliness and sustainable living.

9. **Plantation Drive (19 March 2026)**
   NSS volunteers and students participated in tree plantation activities to enhance biodiversity and improve the ecological health of the campus.

Environmental Awareness and Community Engagement

Apart from the above activities, Chaiduar College has actively participated in environmental awareness programmes. The Department of Zoology, in collaboration with WWF India, organized an Anti-Plastic and Environmental Awareness Campaign, which included tree

plantation, waste-to-wealth exhibitions, environmental film screenings, workshops, and awareness programmes aimed at reducing single-use plastics and promoting sustainable lifestyles.

Outcome

The green initiatives undertaken during the session 2025–26 significantly contributed to environmental awareness, biodiversity conservation, cleanliness, and sustainable development. These programmes not only enhanced the ecological consciousness of students but also encouraged active participation in community-based environmental protection activities. Through continuous efforts, Chaiduar College (Autonomous) has strengthened its vision of creating a clean, green, and environmentally responsible campus.

Plan of action for the next academic year

1. To start one year PG programme.
2. To encourage faculties to apply for major and minor research projects.
3. To augment the linkage between Industry and Academia.
4. To expand Research and ICT infrastructure.
5. To introduce more vocational and skill development courses.
6. To encourage the faculties to make publications in SCOPUS/ Indexed Journal/ Peer Reviewed Journal, Chapters in book, to attend national and international seminars/ conferences.
7. To organise different Community Awareness programmes for holistic development and to strengthen the social responsibilities.
8. To set up an Art and Performing Centre.
9. To set up LAN facilities for whole campus.
10. To set up full-fledged library.
