From the Principal's

It gives me immense pleasure to extend my heartfelt greetings to all readers of the CHAIDUAR COLLEGE (AUTONOMOUS) NEWSLETTER 2024–25. This publication provides us with an opportunity to reflect upon the achievements, progress, and aspirations that continue to define the journey of our esteemed institution.

The conferment of **Autonomous Status** to Chaiduar College marks a historic milestone and a moment of collective pride for our college community. This recognition by the University Grants Commission is a testament to our sustained commitment to quality education, good governance, and academic excellence. Autonomy has empowered the institution to design and implement a **dynamic and need-based curriculum**, ensuring greater academic flexibility, innovation, and relevance in accordance with the principles of the **National Education Policy (NEP) 2020**. These reforms are directed towards enhancing the learning experience and promoting the holistic development of our students.

In addition to academic advancements, the college has made significant progress in **infrastructure development** — with modernized classrooms, improved laboratory and library facilities, and the integration of digital and ICT-based learning tools. These initiatives are aimed at creating a more conducive and inclusive environment for teaching, learning, and research.

Chaiduar College continues to be a source of **pride and inspiration**, symbolizing the power of education to transform lives and communities. I am confident that the college will continue to uphold its legacy of excellence and bring greater glory in the years ahead.

To our **students**, I encourage you to pursue your goals with diligence, curiosity, and integrity, making the most of the opportunities that this institution provides. To our **faculty and staff**, I convey my sincere appreciation for your dedication, professionalism, and invaluable contributions toward realizing the vision of the college.

As we move forward, let us remain united in our efforts to nurture a culture of knowledge, innovation, and social responsibility, making Chaiduar College a true centre of excellence in higher education.

With best wishes for continued success and progress.

Dr. Kishor Singh Rajput

From the Editor's Desk

It gives me immense pleasure to present before you the sixteen volume of the annual newsletter of **Chaiduar College (Autonomous), Gohpur** for the academic session **2024–25**. This publication is more than just a chronicle of the year's events—it is a reflection of the vibrant academic, cultural, and social spirit that defines our institution.

As we continue our journey of growth and learning, Chaiduar College (Autonomous) remains steadfast in its mission to provide quality higher education to the students of this region. The academic year 2024–25 has witnessed commendable progress in various spheres—from academic excellence and faculty development to student-led initiatives, outreach programmes, and cultural celebrations.

This year, our college community has come together in numerous ways: organizing seminars and workshops, publishing research, participating in inter-college events, preserving cultural heritage, and engaging with the local community through NSS and environmental awareness programmes. Each of these initiatives reflects our enduring commitment to holistic education and social responsibility.

We take pride in the achievements of our students and faculty, whose efforts continue to bring recognition to the college. At the same time, we acknowledge the challenges faced by educational institutions in today's rapidly evolving world. It is only through collective resilience, innovation, and compassion that we can shape a future that is both inclusive and empowering. We sincerely thank the Principal, faculty members, staff, alumni, and students for their continued support, inspiration, and active participation in every sphere of college life.

As we turn the pages of this volume, let us also turn a new chapter of hope, excellence, and purpose. Let Chaiduar College continue to be a beacon of learning, culture, and community in the heart of Gohpur.

Warm regards,

— **Editor-in-Chief**

MEMORIAM

Late. DILIP BAISNAAB

15/11/1969 – 18/05/2025

In Loving Memory of Mr Dilip Baisnaab, who served this institution with unwavering commitment and quiet dignity.

It is with heavy hearts that we at Chaiduar College mourn the loss of one of our most devoted and respected members of the college community, Mr Dilip Baisnaab, an employee who worked behind the scenes — often before others arrived and long after they left — ensuring that the daily rhythm of college life moved forward smoothly. He was known for his reliability, honesty, and strong work ethic. Whether it was preparing classrooms for a new day, helping with college events, or simply greeting everyone with a smile, Late Dilip Baisnaab showed us that every role is essential in building a thriving academic community.

As we remember him, we are reminded of the values he embodied: integrity, service, and compassion. His absence leaves a void that cannot be filled, but his legacy will live on in the hallways he helped keep clean, the events he supported, and in the hearts of those whose lives he touched.

His life was a quiet inspiration, and his memory will remain a cherished part of the Chaiduar College family.

May he rest in peace.
