Chaiduar College Fraternity Welcomes You!

Principal's Message

With a heritage that goes back to more than fifty years, Chaiduar College occupies an important place in north bank Brahmaputra. Established in 1967, initially with Arts stream, affiliated to Gauhati University with a vision to provide facility of higher education was placed under deficit grants-in-aid by Government of Assam in 1977. Considering the need of the hour, Science stream was started in 1987 to meet ever-growing need of science education in the society and was placed under deficit grant-in-aid in 1998.

Since establishment, Chaiduar College is continuously growing in all aspects of its academic as well as infrastructural resources overcoming all odds. B. Commerce and B.Voc discipline have been added to list of existing disciplines in 2012 and 2015 simultaneously.

The motto of the college is to prepare the youth to remain resolutely fixed to their goal and over changing values and perspectives of life so as to enable them to identify themselves as conscious, integrated and wholesome human beings capable of meeting the challenge and opportunity of life in the noblest and most disciplined way.

Though the college achieved milestones which could not be imagined few years back with the advent of globalization and the opportunities thrown before us, preparing the students for various jobs is given a new thrust in the coming years. Introduction of Courses like Entrepreneurship Development is also expected to create awareness for self-employment and development of the region.

Success of an institution can only be measured in terms of the extent of benefit it serves to the students and the society in general. Chaiduar College has been taking positive steps for the fulfillment of hopes and aspirations of the Chaiduarians in particular and of the state in general. We hope, in the coming days, we will initiate more schemes for academic and infrastructural up liftmen of the college.

Dr. Kishor Singh Rajput

Principal, Chaiduar College, Gohpur

OUR MOTTO & OUR MISSION

- ❖ To impart training for unemployed educated youth in various skills depending on present day needs.

OUR MISSION:

- ❖ To achieve all round development of student by providing moral, civic, value-based learning through education.

To disseminate the quality education among the students and nearby areas of greater Gohpur for generating workforce to equip them for self-employment

ABOUT CHAIDUAR COLLEGE

Chaiduar College has curved niche in the history of Assam that posterity will cherish in the days to come. Although the place owes its name primarily to strategic geographical location having six routes of entry from the adjoining hilly places, it attains significance because of its existence in conjunction with the place Gohpur, which has been made the Sub-Divisional Headquarter in the District of Biswanath, Assam. To address the necessity of higher education in this large area stretching from Buroi to Hawajan, the college with Arts Stream, affiliated to Gauhati University, Guwahati, was set up in 1967 with all out support and co-operation from a few humble citizens in particular, and neighbouring populace in general. The college was subsequently placed under deficit Grants-In-Aid by Govt. of Assam in 1977. Giving further boost to the direction of higher studies, the Science Stream was given a decent start in 1987, and was placed under deficit grant-in-aid in 1998.

Realizing the ever growing need as felt in higher education, the college introduced a few Career Oriented and Computer courses in 2006, and the much needed Commerce Stream in 2012. Alongside this, the college is running handful of courses under the supervision of the Krishna Kanta Handiqui State Open University (KKHSOU) as partner institute. In addition, our college has the privilege of successfully running two skill based B.Voc. (2015) courses and some other courses under the IDOL – Gauhati University. Doing all this, what is sought to achieve is a genuine hub of teaching-learning environment that is all conducive to students and well-wishers alike.

NAAC Accreditation and Ratings

Chaiduar College was accredited by NAAC for the first timein 2005 and was awarded a C^{++} grade. The college was reaccredited in 2010 and was awarded B grade (CGPA 2.68) grade points. Again the college has been reaccredited in November 27, 2017and graded B^{++} (CGPA 2.82) on seven point scale.

Academic and Learning Environment at CHAIDUAR COLLEGE

Chaiduar College offers a high quality of academic and learning environment in an inter-disciplinary setting as prescribed under the NEP. The College has a good teacher-student ratio of about 1:20 with highly dedicated, enthusiastic , skilled and experienced faculty members. Chaiduar College not only offers classroom teaching but   also   provides   additional   learning   opportunities   to   students   in   number   of   ways.

Advanced Level Institutional Biotech hub, (Estd.-2011) under the financial assistance from DBT in the Department of Life Sciences has been a bedrock for research and innovation for Major (Honours) students and Research Scholars of the college. With modern cutting edge equipments at its disposal, the department of Zoology and Botany can very well act as interference for the researchers and

academicians eyeing to explore a plethora of possibilities. Medical Laboratory Technician (MLT) course running under financial grants from UGC and affiliated to Gauhati University has also pitched in as an opportunity for further lift in the Bio-Tech research activities. Kindling the awareness and drive for advanced knowledge among the students, Bio-Tech Hub has been instrumental in growing enrollment in Life Sciences. The role played by this biotech hub in our own institution has been very crucial. The practical classes on Cell Biology, Genetics, Developmental Biology, Tissue culture, Genotoxicology, Reproductive Biology are heavily dependent on the facilities created under the Biotech Hub. Moreover, the laboratory facilities of the Biotech Hub have been regularly used by the students and faculty members of other Departments too.

In addition, the Biotech Hub has also been acting as an outreach centre for researchers and students and academicians from bordering state Arunachal Pradesh in the domain of Life Sciences to access and utilize the facilities available for their quest.
